

TO: Our Valued Customers
FROM: Eagle Group
DATE: December 15, 2010
SUBJECT: March 2011 Foodservice Price List

Please be advised that Eagle will be publishing a new Foodservice Price List to be effective March 1, 2011. Product group pricing may vary based upon the various material costs involved. A good average to use for fabrication and shelving components would be 3%.

All orders placed on or before February 28, 2011 will be accepted at our present pricing for immediate shipment or shipment prior to March 31, 2011. Quotes from Eagle's SpecFAB Division dated prior to January 1, 2011 will be protected for the terms of the quote. If you currently have open orders at our factories for products scheduled to ship after March 31, 2011, please be advised of this increase.

Autoquotes will also be updated and will include new catalog pricing as of March 2011. SpecFAB quotes dated January 2011 will include our proposed increases. Any special pricing submitted to your company for 2011 includes the above adjustment as well.

If you have any questions, or need additional information, please do not hesitate to contact your local Eagle Sales Representative or your Eagle Customer Service Representative at 1-800-441-8440.

Best regards,
